DEDICATION

MISS DOROTHY E. REED

We, the Class of 1950, are honored and pleased to have the privilege of dedicating this edition of "Le Souvenir" to someone who, though not an actual member of the faculty, has done so much for every class coming through Audubon High School that we feel the time for recognition is far beyond due.

In these few words we can show only a part of our appreciation for all she has done. Since the day we first entered Audubon High School, she has been standing by to help each one of us, working every minute for the welfare of the students, often her work going unapplauded. Her dependability, understanding, and capability have been great factors in making our four years of high school profitable and enjoyable.

Thus to Miss Reed, whose work for our class and every class has been unceasing, we are proud to dedicate this edition of "Le Souvenir."

CLASS POEM

It is well to dream at times, but better far
To make one dream come true, rather than reach
Too much for the ephemeral and mar
The real with visions beyond all deed and speech.
Perhaps the Wizard, being more wise than we,
Knows that all worthy plans lead to one issue,
Which is not merely good, but pure and free—
A world where dreams are more than imaged tissue.
But this is not the land of Oz. Our world
Betrays both dream and dreamer. Clown nor sage
Can guess how the curtain of life will be unfurled
For each; but we can know that every stage
Whereon we cast our drama may be bright,
Given the will, with inner strength and light.

SPORTS

FOOTBALL

Although this year's team could not capture a title to add to its glory, its precision playing and its fighting spirit always made it a dangerous threat to the opposition. The "Green Wave" was honored at the high school with a dinner as a reward for its gallant playing and good sportsmanship. Dick Krimmel and Don McKissock were named on the third and fourth teams, respectively, of the All South Jersey Squad. We congratulate our team for the sincerity and devotion which it showed to this sport on the gridiron.

TO THE CLASS OF '50

The Audubon Fathers' Association congratulates the members of the Class of 1950 upon the completion of their high school training. The class is to be commended for its many accomplishments during the four years its members have been together.

The Fathers' Association is completing twenty-five years of service this year.

During the past quarter of a century the Fathers' Association has served the schools and community of Audubon in many ways. It is proud of its continued record of service, and it is the hope of the members that it may continue, for years to come, to work for the youth of the community.

May the work of the members of the Fathers' Association inspire the individual members of the Class of '50 to continue to serve in some worthwhile civic service.

THE AUDUBON FATHERS' ASSOCIATION

GREETINGS

and

SINCERE GOOD WISHES

to the

1950 CLASS OF AUDUBON HIGH SCHOOL

To the other advice you will receive, may we add one more helpful thought?

In most things you do, have a goal; know what you want to do. In the words of the popular song, "If you don't have a dream, how you gonna have a dream come true?"

You will spare yourself much wasted effort if you acquire the habit of knowing what you want to accomplish before you try to accomplish it.

AUDUBON HIGH SCHOOL
PARENT TEACHER ASSOCIATION

"A sound mind in a sound body is a short but full description of a happy state in this world."
